Creation of the Kalinadi Hydro-Electric Project Investigation Division.

*Q.—559. Sri M. S. PATIL (Koppal).—

Will the Government be pleased to state:—

(*a*) whether Kalinadi Hydro-Electric Project Investigation Division is created recently;

(*b*) if so, whether the investigation is being undertaken at the instance of Government of India;

(*c*) whether priority will be accorded to this Scheme next to Sharavathi Power Project;

(*d*) the outlay required for the Project and the power that will be produced;

(*e*) the areas of the State which will get the benefit of power from this Project?

A.—Sri S. NIJALINGAPPA (Chief Minister).—

(*a*) Yes, one additional division has been sanctioned.

(*b*) Yes.

(*c*) Due priority will be given depending upon the final report.

(*d*) An installed capacity of 7.5 lakhs K. W. of power could be expected at an approximate cost of Rs. 85 crores.

(*e*) The Power generated from the Kalinadi Project will be fed into the Electricity grid in Mysore State and will benefit the entire State.

Introduction of Bills.

Sri R. M. PATIL (Minister for Home).—Sir, I beg to introduce the Mysore Dramatic Performances Bill, 1963.

Sri S. M. KRISHNA (Maddur).—On a point of order. I raise an objection to the introduction of this Bill, because the Constitution of India guarantees under article 19 that all citizens shall have the right to freedom of speech and expression. Now this particular Bill covers that word 'expression'.

Mr. SPEAKER.—Is that a ground for opposing the introduction of a Bill? Even if there is a Debate, who is to decide the question? Is it not too early or too premature to say that it cannot be introduced?

Sri S. M. KRISHNA.—When it strikes at the very roots of the Constitution.....

Mr. SPEAKER.—Introduction is not passing.

Sri S. SIVAPPA (Sravanabelagola).—Introduction is for the purpose of discussion and for passing the Bill. Any introdution of the Bill contravenes the guarantees of the Constitution. When a thing cannot be discussed here, how can it be introduced?
